Welcome aboard the Seabourn Spirit cruise ship. Some say a sense of proportion is the true measure of elegance. The intimate size of the Seabourn Spirit assures exclusivity. Aboard these all-suite ships, your fellow guests number no more than 208 well-versed voyagers. The Scandinavian ambiance is inviting; mellow lounges, open-seating restaurants, a spa and a unique marina for swimming are just some of the amenities that enrich your days. It's hard to imagine a more pampered existence. Yet you deserve no less.

Join Lenore as she explores these enchanting Italian ports and shares her passion for the essences of wine & food in Italy. Highlights include on board cooking demonstrations and special food and wine pairing experiences. It's great traveling with foodies! Visit [www.inthekitchenow.com](http://www.inthekitchenow.com)
